

2024 Missouri Transit Conference & Expo **OPERATOR RECOGNITION**

This year as a part of the 2024 Missouri Transit Conference in St. Louis, MO, we will be recognizing operators for their outstanding commitment to public transit. The breakfast will be held on September 5, 2024 at the Westin St. Louis at the Ballpark in St. Louis, MO

As transit providers, we know your operators are working harder than ever. Please consider nominating one or more of your operators who has gone above and beyond the call of duty over the last year for recognition at the 2024 Missouri conference. Each nominated operator who attends the conference will receive recognition during the luncheon event, be included on the MPTA Operator Wall of Fame, and will receive a discounted conference registration rate.

All nomination forms must be received by June 30, 2024. Email completed forms to Travis Wood at twood@mopublictransit.org.
