Advocating. Educating. Advancing.

Public transit goes
beyond simply providing
transportation
services...it is
a lifeline.

MISSOURI PUBLIC TRANSIT ASSOCIATION

2025 MPTA GOALS

Elevate the value of transit in Missouri.
Build new coalitions to expand advocacy.
Promote and support MPTA members.

Advocating. Educating. Advancing.

Last year was a historic year for public transit in Missouri. Record amounts of transit funding were made available at both the state and national levels. A second study to quantify the economic impact of public transit was completed, while work continued to address needs identified in the Transit Needs Assessment Report. Educational efforts were furthered, and plans were put in place for new, statewide programming.

Public transit delivers billions to the state's bottom line each year and ensures daily transportation accessibility to nearly everyone in every county. This has fueled the mission of the Missouri Public Transit Association (MPTA) for more than four decades. We serve as a unified voice for public and specialized transit providers, stakeholders, vendors and partners from across the state who are collectively working to raise awareness about the role of public transit and why it needs to be an investment priority.

Public transit is delivering in Missouri. Get on board in 2025.

Missouri Public Transit is delivering \$4.05 billion to Missouri's bottom line while ensuring access in **EVERY COUNTY, FOR EVERY ONE, EVERY DAY.**

MPTA BOARD OF DIRECTOR OFFICERS

TAULBY ROACH PRESIDENT

Taulby is the President and CEO of Bi-State Development which operates the Metro Transit system in eastern Missouri and southwestern Illinois. In this role, he is responsible for the oversight and strategic direction of Bi-State Development and its enterprises: Metro Transit, Gateway Arch Riverfront, St. Louis Downtown Airport and St. Louis Regional Freightway. Taulby has more than 30 years of experience in the transportation industry, including more than 15 years with the St. Clair County Transit District – where he led the planning, design and management of capital projects, budget initiatives, and innovative transit and transportation programs. Taulby is a regular transit rider, an avid cyclist and a longtime member of Citizens for Modern Transit's Board of Directors.

The benefits of public transit extend far beyond getting people to and from destinations. Transit also creates jobs, stimulates local economies, attracts investment, reduces the number of single-occupancy vehicles on the road, is environmentally friendly and contributes to the financial well-being of the state.

So, whether an individual uses transit or not, it's beneficial to every Missourian.
